About Us

Muncie Novelty Company produced its first set of gaming tickets 76 years ago. Since the founding of Indiana Ticket Company in 1971, the two companies have worked in conjunction to continuously expand product offerings to our customers.

Today, our facilities boast state-of-the-art production equipment. Though times have certainly changed, the same dedication to quality and attention to detail still go into every game we manufacture.

Here are our latest art concepts

Titles and artwork are provided as suggestions only. Upon request, we can provide games with custom elements.

The concepts in this catalog may be applied to any style of game & payout.
